

## **Crystal Infosystems Partnering With iPrint Technologies**

Valued Customers:

Printer, supplies and managed print customers of Crystal Infosystems are about to benefit from our exciting new partnership with iPrint Technologies! As a national leader in printers, imaging supplies and managed print solutions, iPrint Technologies has longstanding relationships with the major OEM manufacturers and service providers that Crystal Infosystems customers will now benefit from as well.

Our new iPrint partnership will provide opportunities for Crystal to offer new products lines, enhanced pricing advantages on genuine OEM product and increased customer support. We are now an authorized supply and printer dealer for HP, Lexmark, Dell, Brother, Canon and Xerox. We can now be your one-stop shopping source for all of these leading brands of printers and printer supplies. This diversity offers our customers tremendous flexibility.

Crystal Infosystems will continue to provide the same great level of support that you have come to expect and our team is remaining in place here in New York. We also have additional customer service support that will be available to our customers up to 8 p.m. eastern time. In addition to the extended support hours, our new California facility will be able to ship product later in the day and expedite those last-minute overnight orders.

You can continue to reach your existing sales representative using the same phone number and email address you use today.

Our goal is to continue to provide the best of what you have come to expect from Crystal Infosystems while leveraging iPrint's experience in the industry to layer on additional products, pricing and service.

An **iPrint**Technologies company.
